## INTENT TO REFER AGREEMENT

**1. I acknowledge that I have no personal or corporate policies; stated, written, or implied that restrict me from referring freely to members in all professions in my BNI Chapter.**

**2. I have no formal or informal affiliations that restrict me from referring freely to members in all professions in my BNI chapter.**

**Note: BNI does not require you to refer to an individual chapter member whom you do not feel comfortable or confident in referring to.**

**The membership committee may require this form for all new and renewing members of BNI. Please keep most current copy for each member on file in President's box.**

**Membership committees may refuse applicants and renewing members who do not sign this agreement; as long as it is part of a fairly applied policy.**

**Not signing this agreement may result in your application and check being returned. If it is not signed at renewal, your category may be declared open.**
